

Sigma Phi Epsilon NEWSLETTER

Fall 2020

Note to our Alumni:

At Mississippi Gamma, we are always trying to improve alumni relations and we hope that this newsletter helps to accomplish this. If you or any alumni that you still keep in touch with have any sort of change of information (email, phone number, address, etc.) please let us know so that we are able to update it in our records.

Community Service

At Sigma Phi Epsilon, we strive to be as service-oriented as possible. The men of Sigma Phi Epsilon participate in many different community service projects. From the Big Event to local community service opportunities from their hometowns, our brothers take community service seriously and strive to show how different this fraternity is!

Brothers went to Sulfur, Louisiana after Hurricane Sally to help make meals for those devastated by the storm.

Academics

The Mississippi Gamma chapter holds 49 men. This fall semester we accomplished an overall chapter GPA of 3.04. SigEp likes to acknowledge those that strive to be the best. One way we do this is through Summit Club. Summit Club highlights those that maintained a 3.25 GPA or above by providing those men with a free dinner to celebrate.

Summit Club Fall 2020

Intramurals

At SigEp, intramurals are very important to us, after grades and community service. This year has been challenging with Covid-19 and many intramurals being cancelled. With this challenge this past semester we were still able to win first place in intramurals such as wiffleball, 2v2 sand volleyball and many more.

Philanthropy

In this fraternity, we pride ourselves in our philanthropic endeavors. Our current philanthropy that we support is Extra Table. Extra Table is a local non-profit organization in Hattiesburg that helps provide food to the less fortunate in the Pine Belt area. This Fall, we were not able to host our annual Chili Cook-Off due to Covid-19 restrictions, but we hosted a donation drive in order to raise money for Extra Table. We are also extremely diligent when it comes to participating in nearly every major Greek and community philanthropy event as well. We love to support our philanthropy as well as help other fraternities and sororities with their events.

Brotherhood

Sigma Phi Epsilon prides itself on a strong brotherhood. Even with Covid-19 restrictions, SigEp was still able to continue to grow and better itself. This fall we welcomed 12 new members into this brotherhood. We are excited to guide these men through this journey and prepare them for success. With a new executive board leading the Mississippi Gamma chapter, SigEp held an executive board retreat to aide in a smooth transition between leaders. To end the semester SigEp gathered at Alley Cats Axe Throwing Company for a fun brotherhood event.
