

Sigma Phi Epsilon NEWSLETTER

Fall 2021

Sigma Phi Epsilon is back in full swing this year. From date parties to the annual Chili Cook-Off, COVID-19 did not stop us this semester. We are very proud to say that this fall was filled with many successes.

Recruitment

We are proud to announce that we recruited the biggest and greatest class this semester with 27 new members. Shoutout to our head of recruitment at the time, Hayden Elwell. We have great expectations for these new members of Sigma Phi Epsilon.

Philanthropy

This fall we hosted the 15th annual Chili-Cook Off event to help raise money for Extra Table. We had multiple entries by fraternity and sorority life, alumni, and local companies. It was a great time to see some alumni out still supporting our philanthropy. Based on chili entries and tickets sold to attend the event, we raised \$19,748 for Extra Table. With this money, Extra Table will be able to provide roughly 116,500 meals across the state of Mississippi. Thank you to anyone who participated or donated.

Intramurals

This semester SigEp took home multiple intramural championships. When we aren't focusing on our school work, we are giving it our all on the playing field. SigEp won first place in beach volleyball, basketball, dodgeball, and flag football. We can't wait to come back next semester and add a couple more championships to that list.

Alumni Homecoming Event

We were incredibly excited to see such a great turn out for the alumni homecoming dinner and tailgate. It was great to see some of y'all again, and the new members enjoyed getting to meet those who came. We are looking forward to increasing our alumni relations this year and plan to have another alumni event in the spring.

If you haven't already, please send us your name and email so that we can stay in touch. This information can be filled out through the google form on our website.

Semester Highlights

After a lot of late-night practices, we won overall first place for Chi Omega's Annual Songfest, beating every other fraternity and sorority that competed. Furthermore, we also wrote the most Santa letters out of all the fraternities, securing our second win of the night, Mr. Songfest. It was clear that SigEp did not come to play when competing this year.

We are proud to announce that we have received 1st place for overall chapter GPA for the second semester in a row. The men of this chapter have worked very hard to maintain scholarly grades and it shows. However, not only did we win that but, our new members secured the highest new member GPA on the row. They bought into the balanced man program and displayed a great sense of sound mind with a 3.30 GPA.
